

# Math Worksheet

Count, add, and subtract to solve fun math problems!

## Puzzle 1

$$\text{binoculars} + \text{landscape} = 8$$

$$\text{boots} - \text{binoculars} = 2$$

$$\text{boots} + 5 + 3 = 17$$

$$\text{landscape} = \square \quad \text{binoculars} = \square \quad \text{boots} = \square$$
