

# Math Worksheet

Count, add, and subtract to solve fun math problems!

## Puzzle 1

$$\begin{array}{c} \text{church} \\ \text{church} \end{array} - \begin{array}{c} \text{deer} \\ \text{deer} \end{array} + \begin{array}{c} \text{Santa} \\ \text{Santa} \end{array} = 14$$

$$\begin{array}{c} \text{church} \\ \text{church} \end{array} + \begin{array}{c} \text{Santa} \\ \text{Santa} \end{array} = 17$$

$$\begin{array}{c} \text{church} \\ \text{church} \end{array} + 3 + 10 = 21$$

$$\begin{array}{c} \text{church} \\ \text{church} \end{array} = 8 \quad \begin{array}{c} \text{deer} \\ \text{deer} \end{array} = 3 \quad \begin{array}{c} \text{Santa} \\ \text{Santa} \end{array} = 9$$
