

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{waffle} - \text{waffle} + \text{candy} = 6$$

$$\text{waffle} + \text{candy} + \text{cake} = 13$$

$$\text{waffle} + 13 = 15$$

$$\text{candy} = \square \quad \text{waffle} = \square \quad \text{cake} = \square$$
