

# Math Worksheet

Count, add, and subtract to solve fun math problems!

## Puzzle 1

$$\text{muffin} + \text{muffin} + \text{pie} = 17$$

$$\text{muffin} + \text{chocolate bar} + \text{ice cream} = 38$$

$$\text{muffin} + \text{pie} + \text{chocolate bar} = 29$$

$$\text{pie} + 1 - 1 = 3$$

$$\text{pie} = 3 \quad \text{ice cream} = 12 \quad \text{chocolate bar} = 19 \quad \text{muffin} = 7$$
