

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{tulip} + \text{fruit} + \text{basket} + \text{sheep} = 18$$

$$\text{sheep} + \text{basket} + \text{tulip} + \text{tulip} = 15$$

$$\text{sheep} + \text{basket} + \text{basket} = 12$$

$$\text{basket} + 1 + 9 = 15$$

$$\text{tulip} = \square \quad \text{sheep} = \square \quad \text{fruit} = \square \quad \text{basket} = \square$$
