

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{duck} + \text{horse} + \text{duck} = 31$$

$$\text{horse} + \text{horse} + \text{pig} = 37$$

$$\text{horse} + \text{horse} + \text{horse} = 19$$

$$\text{horse} + \text{horse} + 10 = 10$$

$$\text{horse} = 0 \quad \text{duck} = 6 \quad \text{horse} = 19 \quad \text{pig} = 18$$
