

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{duck} + \text{horse} + \text{duck} = 31$$

$$\text{horse} + \text{horse} + \text{pig} = 37$$

$$\text{horse} + \text{horse} + \text{horse} = 19$$

$$\text{horse} + \text{horse} + 10 = 10$$

$$\text{horse} = \square \quad \text{duck} = \square \quad \text{horse} = \square \quad \text{pig} = \square$$
