

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{Wheelchair} + \text{Ambulance} + \text{Bandage} + \text{Stethoscope} = 43$$

$$2 \text{ Bandages} + \text{Wheelchair} = 34$$

$$\text{Bandage} + \text{Stethoscope} + \text{Wheelchair} = 30$$

$$\text{Bandage} + 9 + 14 = 38$$

$$\text{Ambulance} = \square \quad \text{Stethoscope} = \square \quad \text{Bandage} = \square \quad \text{Wheelchair} = \square$$
