

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{caterpillar} + \text{caterpillar} + \text{ladybug} = 20$$

$$\text{caterpillar} + \text{caterpillar} + \text{caterpillar} = 28$$

$$\text{bee} + \text{caterpillar} + \text{caterpillar} = 27$$

$$\text{caterpillar} + 12 + 1 = 13$$

$$\text{bee} = \square \quad \text{caterpillar} = \square \quad \text{ladybug} = \square \quad \text{caterpillar} = \square$$
