

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\begin{array}{c} \text{Artist} + \text{Detective} + \text{Construction Worker} + \text{Doctor} = 40 \end{array}$$

$$\begin{array}{c} \text{Artist} + \text{Construction Worker} + \text{Detective} = 22 \end{array}$$

$$\begin{array}{c} \text{Artist} + \text{Construction Worker} + \text{Construction Worker} = 39 \end{array}$$

$$\begin{array}{c} \text{Artist} + 13 + 13 = 31 \end{array}$$

$$\begin{array}{c} \text{Artist} = 5 \quad \text{Construction Worker} = 17 \quad \text{Doctor} = 18 \quad \text{Detective} = 0 \end{array}$$
