

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\begin{array}{c} \text{Artist} + \text{Detective} + \text{Carpenter} + \text{Teacher} = 40 \end{array}$$

$$\begin{array}{c} \text{Artist} + \text{Carpenter} + \text{Detective} = 22 \end{array}$$

$$\begin{array}{c} \text{Artist} + \text{Carpenter} + \text{Carpenter} = 39 \end{array}$$

$$\begin{array}{c} \text{Artist} + 13 + 13 = 31 \end{array}$$

$$\begin{array}{c} \text{Artist} = \square \quad \text{Carpenter} = \square \quad \text{Teacher} = \square \quad \text{Detective} = \square \end{array}$$
