

# Math Worksheet

Count, add, and subtract to solve fun math problems!

## Puzzle 1

$$\text{frog} + \text{snake} + \text{frog} = 43$$

$$\text{frog} + \text{snake} + \text{turtle} + \text{lizard} = 42$$

$$\text{snake} + \text{frog} + \text{lizard} = 34$$

$$\text{snake} + 12 - 15 = 8$$

$$\text{turtle} = \square \quad \text{frog} = \square \quad \text{lizard} = \square \quad \text{snake} = \square$$
