

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{flamingo} - \text{robin} = 2$$

$$\text{paper plane} + \text{flamingo} + \text{robin} = 6$$

$$\text{robin} + 11 = 12$$

$$\text{robin} = \square \quad \text{paper plane} = \square \quad \text{flamingo} = \square$$
