

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{Saw} - \text{Saw} + \text{Nail} = 20$$

$$\text{Saw} + \text{Ladder} + \text{Level} + \text{Nail} = 37$$

$$\text{Saw} + \text{Nail} + \text{Level} = 37$$

$$\text{Saw} + 13 + 10 = 34$$

$$\text{Saw} = \square \quad \text{Nail} = \square \quad \text{Ladder} = \square \quad \text{Level} = \square$$
