

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{Penguin} + \text{Umbrella} = 13$$

$$\text{Penguin} + \text{Boots} - \text{Umbrella} = 8$$

$$\text{Umbrella} + 8 = 12$$

$$\text{Umbrella} = \square \quad \text{Boots} = \square \quad \text{Penguin} = \square$$
